

BUILDING DIRECTORIES - STRIP STYLE

Made in the USA

Optional Brass Finish & Pedestal

1000 Series Illuminated Units

Extruded clear, dark bronze or black anodized aluminum framing with frameless PPG Greylite 14 polished edge glass door. The glass creates the floating effect of the lettering only showing through.

Units are complete with header section to provide one copy line and a complete set of blank engraveable namestrips 1/2" high. Overall height for all sizes is 36", including 4" header panel.

Optional Features

- Dark bronze or black anodized frame, add 20%.
- Acrylic or tempered glass, call for prices.
- Magnetic style name strips, call for prices.

A

B

BLANK NAMESTRIPS for Directory Boards

Made in the USA

Style A (Z type) and Style B (arrow type) translite strips are extruded clear acrylic with 3 coats of black matte enamel for engraving to allow light transmission.

Style D (Non-Illuminated strip) are extruded white acrylic with three coats of black matte enamel for white copy.

All sizes shown in price list are overall sizes, deduct 1/16" to get the actual face size. 11/16" = 5/8" face.

D

Style	Overall Size	48" Lengths	
		10 Pcs. or Less Each	11 Pcs. or More Each
A	3/8, 7/16, 1/2, 9/16"	\$37.75	\$27.50
	3/4" & 1-1/16"	40.50	30.25
B	9/16, 1-1/16"	39.75	30.50
D	1/2, 3/4, 1"	38.25	29.00
