

NAVIGATOR MESSAGE CENTER SERIES

Elegant in style and innovative in function. The new Navigator Series message boards are a perfect solution for clubs and party centers that desire creativity and attention. The grooved felt directory board is framed with furniture quality red oak wood and incorporates an innovative magnetic strip to securely fit the directory board into the frame of a Pro-Rite porcelain steel marker board. Simply remove the directory board and the message board converts to a magnetic marker board to creatively display your message in marker or with magnets.
